

St Luke's Church Gamston & Bridgford

Operations Manager

St Luke's is a lively evangelical/charismatic church. Our vision is to seek by 2022 to welcome 120 new disciples and establish at least two new worshipping communities.

To achieve this, we are looking to appoint a highly motivated and organised individual to a new role of Operations Manager to support the church as it grows and gets in a position to be able to start planting New Worshipping Communities – the first potentially be opened in September 2019.

The person will be an active member of the leadership of the Church, engaging in the vision, prayer and pastoral life of the church. They will work closely with the Vicar and will be accountable for the efficient operation and development of the facilities and resources that are available to the church.

The role holder will be accountable for all operational matters for the church. They will have good emotional intelligence and will lead and manage the operations teams (both employees and volunteers) to support the mission and life of the church and model our ethos and Christian values. They will have the ability to think strategically but with an eye for detail.

If you are a good team player, have a sense of humour and the necessary experience to shape and develop this new role, then please apply.

For further details please go onto our website:

st-lukes-gamston.org where you will find the application pack under the "About Us" tab

Closing date: Monday 17th December 2018 at 12.00 noon

Interviews are currently being planned for week commencing 14th January 2019
